DIARY NOTES

25X1A DD/S [REDACTED]

20 November 1962

1. At the Senior Staff Meeting this morning:

25X1A9a a. [REDACTED] gave a brief and very interesting report  
25X1A on his recent trip [REDACTED]

b. Emmett Echols reported that our UGF Drive had exceeded its goal by about \$4,000 and that to date we had collected about \$12,000 for PSAS.

c. I briefed the group on the plans for our Christmas program and also discussed the requirement that we must have at least 300 people present for meals if we are to request that the cafeteria be open on Sundays.

25X1A9a d. *General Carter* [REDACTED] discussed briefly a report which the Inspector General is preparing on the missile build-up in Cuba and requested everyone to assist Mr. Earman as much as possible. He also asked us to convey to our people that the Director was extremely pleased with the performance of the Agency and, in fact, the intelligence community during the Cuban crisis.

25X1A9a 2. [REDACTED] telephoned to say that Mrs. Robert Kennedy told the Director that she had been riding horseback on our property and that she had entered through a hole in our fence. He assured me that there was no hole in our protective fence but there was one in our boundary fence, and it was probable that Mrs. Kennedy did enter our property at this place from the Bureau of Public Roads. (I asked Colonel Edwards to see that the fence is repaired, and I have reported this to [REDACTED])

5. [REDACTED] telephoned at about 6:00 p.m. to say that the Director would be leaving for [REDACTED] on Thursday morning, 22 November, and wanted a communicator to go with him so that he could have secure communications with the Agency.
